

PARTNERSHIP GUIDE

Welcome to the **Partnership Guide** for the Global Resilience Alliance for Community Emergencies (GRACE). We believe in the power of collaboration to achieve sustainable development and resilience in communities. By partnering with GRACE, you join a global movement committed to addressing pressing social, economic, and environmental challenges.

Why Partner with GRACE?

- 1. Alignment with the UN SDGs:**
GRACE's initiatives align directly with key Sustainable Development Goals (SDGs), ensuring your contributions have measurable global impacts.
- 2. Transparency and Accountability:**
We ensure that 80% of all donations go directly to project implementation, with a clear breakdown of how funds are utilized.
- 3. Shared Visibility:**
Partners receive visibility on GRACE's platforms, including websites, reports, and multimedia programs like *Carelines with GRACE*.
- 4. Measurable Impact:**
Collaborate with GRACE to drive measurable, long-term changes in infrastructure development, public health, environmental conservation, and community empowerment.
- 5. Customized Engagement Opportunities:**
Tailored partnership models allow you to align your brand or organization with initiatives that resonate with your mission and values.
